DIFFERENTIATORS

1. Amazing Pathways is not in competition with other like organizations. Instead we desire to work together to one day have a beginning to end service for a one stop shop. Our vision is to partner with similar organizations so that nobody will be turned away from help.

2. Our team consists of qualified professionals that have the credentials, experience and heart driven motivation to change lives.

3. We measure our success by the results and impact we provide to the people in the program. We can measure this by our customized tracking system, surveys and participant follow ups.
